## ▼ ABOUT THE PARTNER INSTITUTIONS

The OAS General Secretariat (GS/OAS) is the central and permanent organ of the [Organization of American States](#) (OAS).

- Through its Department of Human Development, Education and Employment (DHDEE), GS/OAS supports [OAS member States](#) in creating policies and executing programs that promote human capacity development at all educational levels.
- By enabling formative opportunities to citizens, DHDEE strengthens democratic values and security under the framework of regional integration.
- DHDEE does this: (i) by supporting the efforts of OAS member states to improve the quality of and equity in education; and (ii) by assisting the citizens of the Americas in realizing their full potential by giving them access to knowledge and skills through training that improves the standard of living for individuals, families and communities in the region.

[University for International Cooperation](#) (UCI) – Thirty-one years of excellence make the University for International Cooperation (UCI) the perfect choice for regenerative entrepreneurship.

- The UCI is the first university in the Latin-American and Caribbean region to have a Certificate in Regenerative Entrepreneurship accredited by the Global Accreditation Center (GAC) from the prestigious Project Management Institute (PMI).
- Through UCI's training and guidance, more than 5800 graduates in 40 countries around the world are making better enterprises for a regenerative future.
- The Certificate in Regenerative Entrepreneurship at the University for International Cooperation is committed to bringing world-class faculty, innovative online training, and real-world experience together to shape the professionals with leadership, technical and strategic capacities that will manage enterprises that are shaping our future.

## ABOUT THE PROGRAM

For more information on the program please visit: <https://uci.ac.cr/en/certificado-emprendimiento-regenerativo>

### **Student/Applicant's profile**

The Certificate is for a wide range of people interested in the development of regenerative systems and entrepreneurship. It brings together a variety of professionals in the private commercial sector, public sector officials, and community wellbeing generators in the commons sector. The program attracts a wide range of ages from youth to seniors at different stages of their academic development. This rich variety of characters that the Certificate attracts is intertwined by a variety of common interests that revolve around bringing about transformations in service to life, both internally and externally. The participants manifest a profound disenchantment with prevailing economic, cultural, and political systems that offer a fundamentally dystopian vision of the future, outright subjugating Nature and dehumanizing humanity.

### **Admission Process:**

Before applying for admission, we encourage applicants to read the program description and ensure that the study area fulfills their expectations and interests<sup>1</sup>. To apply for admission, please fill out the admission form at:

- Spanish: <https://conocimiento.uci.ac.cr/becas-oea-uci>
